

Barton Hollow Riff: D-C-F-D

I'm a dead man walking here
thats the least of all my fears
Ooooh underneath the water.

It's not Alabama clay
gives my tremblin' hands away.
Ooooh please forgive me father.

D (STOP)

Aint goin' back to Barton Hollow
Devil gonna find me ever I go
Wont do me no good washin in
t'river
can't no preacher man save my **soul**

Did that full moon force my hand
or that unmarked hundred grand?
Ooooh underneath the water.
Ooooh please forgive me father.
