

Helplessness Blues - Fleet Foxes

G C
I was raised up believing I was somehow unique
D
Like a snowflake distinct among snowflakes
C G
Unique in each way you can see
G C
And now after some thinking I'd say I'd rather be
D
A functioning cog in some great machinery
C G
Serving something beyond me
-----Chorus:-----
G C
But I don't, I don't know what that will be
G C G
I'll get back to you someday soon you will see

G
What's my name-what's my station
C
Oh just tell me what I should do
D
I don't need to be kind to the armies of night
C G
That would do such injustice to you
G
Or bow down and be grateful
C
And say "Sure take all that you see"
D
To the men who move only in dimly-lit halls
C G
And determine my future for me
-----Chorus:-----
G C
And I don't, I don't know who to believe
G C G
I'll get back to you someday soon you will see

G C
If I know only 1 thing Its that everything that I see
D
Of the world outside is so inconceivable
C G
Often I barely can speak

Yeah I'm tongue tied and dizzy
C
And I can't keep it to myself
D
What good is it to sing helplessness blues?
C G
Why should I wait for anyone else?
-----Chorus-----
G C
And I know, I know you will keep me on the shelf
G C G
I'll come back to you someday soon myself
