

Last Trip Home Eric capos 5 in G

G C G
As I worked on farms and from the start
C G C D
The muckle horses won my heart
C G C G
With big broad backs they proudly stand
C G G D
The uncrowned kings o'r the land
C G G C
And yet for all their power and strength
C G C D
They're as gentle as a summer's wind
-----Chorus-----
G D G
So steady, boys, walk on
G C D
Your work is nearly done
C G C
No more we'll till or plow the fields
G C D
The horse's day is gone
C G C
And this will be your last trip home
G D C
So steady, boys, walk on

G C G
Now you'll hear men sing their songs o'praise
C G C D
Of Arab stallions in a race
C G C G
Or hunters that fly wi' the hounds
C G G D
Tae chase the fox and run him down

C G G C
But none o' them compare, I vow
C G C D
Tae a workin' pair that pulls a plough
-----Chorus-----
G C G
And a' the years I've plied my trade
C G C D
And a' the fields we've ploughed and laid
C G C G
I never thought I'd see the time
C G G D
When a Clydesdale's work wid ever end
C G G C
But progress runs its driven course
C G C D
And tractors hae replaced the horse
-----Chorus-----
The Luckenbooth (reel)

G C G D - G C G D G X2

As we head back, our friends have lined
C G C D
The road tae be there one last time
C G C G
For none of them would want tae miss
C G G D
The chance tae see us pass like this
C G G C
They'll say they saw in years tae come
C G C D
The muckle horses' last trip home
-----Chorus-----

The Luckenbooth
