

Such Great Heights

G D
I am thinking it's a sign
C
that the freckles in our eyes are mirror images
G D
and when we kiss they're perfectly aligned

G D
I, have to specu-late
C
that god himself did make us into corresponding
G D
shapes like puzzle pieces from the clay

G D
true it may seem like a stretch but its
C
thoughts like this that catch my troubled head
G D
when yr away, when I am missing you to death

G D
you are out there on the road
C
for several weeks of shows
G
and when you scan the radio
D
I hope this song will guide you home

[Chorus]-----
G D
they'll see us waving from such great heights
C G D
come down now, they'll say
G D
but everything looks perfect from far away
C G D
come down now but we'll stay

G D
I tried my best to leave
C
this all on you machine

but the persistent beat, it
G D
sounded thin upon list-en-ing

G D
that frankly, will not fly
C
you will hear the shrillest highs
G
and lowest lows with the windows down
D
when this is guiding you home

[Chorus]-----
G D
they'll see us waving from such great heights
C G D
come down now, they'll say
G D
but everything looks perfect from far away
C G D
come down now but we'll stay

G D
they'll see us waving from such great heights
C G D
come down now, they'll say
G D
but everything looks perfect from far away
C G D
come down now but we'll stay
